Course guides (*guiies docents*)

A course guide sets the framework within which a course “happens”

✓ **Course guides are “contracts” between professors and students.**

✓ There is a different guide for each course, detailing:

✓ Contents

✓ Teaching methodology

✓ **Evaluation / grading system**

[Let's have a look](#)

Student workload

ECTS (*European Credit Transfer System*) credits quantify study and learning practices. ECTS are based on students' work. Each ECTS implies 25 Student hours

Therefore, a 6 ECTS course means, on the whole, 150 student-hours, spread over a period of 13/14 weeks

In-class hours take 1/3 of students' time, the remaining 2/3 happen out of class - 1 hour of class = 2 hours out of class

Full-time or part-time student ?

UAB students can choose between studying full-time or a part-time. (You can reverse that decision.)

Maximum duration of study (time allowed): full-time 7 years / part-time 11 years
