

INSTRUCTIONS TO CHECK IF THE TIE IS READY

In the receipt obtained at the police station after the fingerprint process, there are two important pieces of information:

- Lot number: *lote: year/number*

Lote: 2024/505

- Where to collect the TIE (indicated at the bottom of the page)

STEP 1

Access the [Immigration website](#)

Select the province of Barcelona from the dropdown menu and click “Accept”.

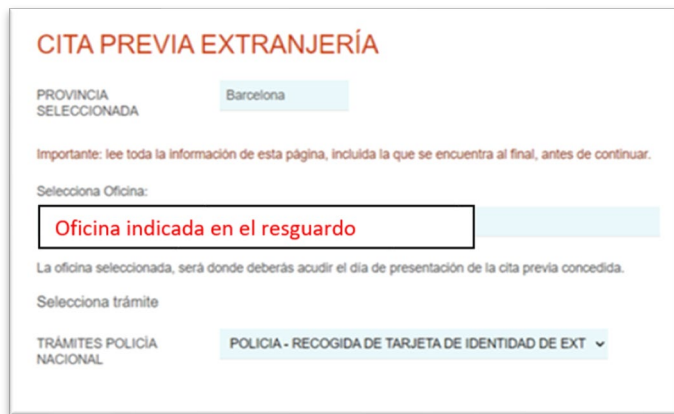

STEP 2

2.1) Select the police station:

Selecciona Oficina: Choose the police station indicated on the receipt obtained after the fingerprint.

Trámite: Policía: Recogida de Tarjetas de identidad extranjero

STEP 3

On the next screen, it will show the last lot received.

If the lot number shown on the website is higher than the lot number on your receipt, that means your TIE is ready for collection.
