WEBINAR SERIES 2024-2025

Varieties of re-enchantment: nature and spirituality in contemporary societies

Professor Renée de la Torre

CIESAS Occidente, Guadalajara, Mexico

Neopagan Altars Live Religion: The daily urban connection with sacred nature

This lecture will present the results of a qualitative research of the spiritual experience around the domestic altars of practitioners of neo-pagan spiritualities, in Guadalajara, Mexico. This study takes the perspective of lived religion to attend everyday rituals, and focuses on the agency of the transcendent materialities placed on altars.

Thursday June 19, 2025

16:00 CET

Participation is free
